## CAR DRIVING SAFETY MEASURES

---

### Car Park Level 1 to P4A

To avoid car accident, we strongly urge car drivers to follow the designated driving routes. Taking shortcuts to save two minutes of your time is not worth the risk to yourself and to others

### Exercise caution when it rains

In a recent incident a Car coming down the ramp from P1 to P1A had a near accident with a parked car. Exercise caution when driving in the Car Park especially if the floor is wet as the ramps can be slippery

Your cooperation is much appreciated.

Thank you.
