Ref No. 16-04

CAR DRIVING AGAINST TRAFFIC FLOW

A notice was put up on 19th November 2015 to caution car driver not to drive against the traffic flow. Sad to inform that there are still drivers not giving the notice any attention.

We know who these drivers are from the CCTV footages. We strongly urge these drivers not to drive against the traffic flow. We do not wish to witness an unfortunate accident when it could be avoided.

More importantly, we do not wish you carry the guilty conscience over a car accident that you could have avoided if not for your inconsideration.

Thank you

CMH.
