

Notice

TO ALL OWNERS & RESIDENTS:

Ref No. 16-74

HOUSEHOLD PETS & LIVESTOCK

Poo seen at the lily pond walkway and at the outdoor children playground.

Apart from hygiene, the foul smell of the poo and its urine is disturbing.

It may come from a dog or a cat.

We have noticed a few stray cats within the compound.

A security guard and cleaner was scratched by one of the cat when they tried to capture the cat. We have also see children running about playing with the cat.

Being strayed cats, we do not know about their health. Secondly, the repainting project is in progress and gondolas are moving up and down.

We are concern for the health and safety of the residents.

We have also seen dogs at the passenger lift, loading bay and entrance lobby.

It could belong to the resident or their guests.

We have written to respective resident to be reminded of the house rules on household pets & livestock.

We wish to remind and seek residents support to adhere to the House Rules, which states:

2.03 Household Pets and Livestock

“No livestock or other animals whatsoever shall be allowed or kept in any part of the complex. The Management reserves the right to remove any pets found within the Complex at the owner’s expense.”

In addition, the recent 7th AGM held on 25 June 2016 approved a Resolution to impose a Penalty of RM200 for each violation of House Rule 2.03.

Thank you.
