RENOVATION PROJECTS

We would like to advise that the Renovation Works for the main lobby, gym, convenience store and lift lobbies will commence on 1st November 2016. The Management Committee will do their best to minimize disruption and coordinate the schedule so that there is continuous access home. Nonetheless access to the gym and passenger lift lobbies may be momentarily suspended.

PHASE 1

LIFT LOBBIES - The passenger lift lobbies will be closed. Residents will only be able to use either the service lifts from ground floor or use the staircase to the first floor and then the passenger lifts from the first floor.

GYM - The current gym will be closed and the new gym will open after the upgrade works to the main lobby have been completed.

PHASE 2

MAIN ENTRANCE LOBBY - The main lobby will be boarded up. Access to passenger lift lobbies and the management office will be via the new gym. Access to City Wing will be via a temporary covered walkway in the inner courtyard.

The schedule will be posted once the details have been finalised. We regret any inconvenience caused.

Thank you for your understanding.
