## REPAINTING & RENOVATION PROJECTS

---

### Repainting Project – Status Update

You would have noticed that there has been a slow down in the Repainting Project. This was primarily due to an issue with the colour of a batch of paint supplied.

This matter has been resolved and the Paint Applicator will now be providing extra resources to speed up the completion of the Project.

### Renovation Project

We are pleased to advise that the Management Corporation is now in a position to commence the Renovation Projects covering the Main Entrance Lobby, Passenger Lift Lobbies, Gym, Convenience Store, Meeting Rooms and Guard House.

***Please refer to the Notice Board outside the Management Office for the latest update on Repainting Work Schedule affecting your Unit and information on Renovation Works.***

Thank you.
