TO ALL OWNERS & RESIDENTS:

Ref No. 17-34

## CIGARETTE BUTTS – ARE YOU THE ONE?

---

We have in the past repeatedly appealed to Residents to refrain from throwing cigarette butts and other litter from their Balconies and Windows.

Regrettably there are still a few Residents who persist in doing so.

The accompanying picture shows cigarette butts collected by a Resident from her Balcony over a 2 month period, thrown from a higher floor.

***IF YOU ARE THE ONE, please STOP !!***

Please be mindful of the potential fire hazard posed by a carelessly discarded cigarette butt, as they are very likely to land in a neighbour's balcony due to wind currents, or even hit a passerby on the ground floor as has indeed happened in the past.

We greatly appreciate the cooperation and generous community spirit shown by the vast majority of our Residents.

We appeal to the remaining few who may have missed our earlier Notices to please be mindful of your neighbours and follow the By-laws with regard to cleanliness and littering.

We thank you in advance.
