

Notice

TO ALL OWNERS & RESIDENTS:

Ref No. 17-35

URGENT HEALTH AND SAFETY WARNING

An Irresponsible Party has been discarding "Used" Insulin Needles in the Common Area.

The casing of these needles look like that of a Ball point pen, are brightly coloured and likely to be attractive, especially to younger children. (See attached Picture of Needles collected)

Accordingly warn your children **NOT TO TOUCH or HANDLE** any such Needles that they may find. Instead, please immediately inform the Management Office or Guards, so that these needles can be safely collected and disposed of properly.

We are very concerned that the Party discarding these needles be quickly identified and stopped before any harm is caused to our Residents.

We request your urgent attention on this matter and assistance to help stop this irresponsible behaviour.

Thank you.
