

# Notice

TO ALL OWNERS & RESIDENTS:

Ref No. 17-42

---

## SWIMMING POOL

---

We are pleased to inform Residents that the tiling repairs of the swimming pool was completed yesterday.

Unfortunately although the Pool has now been refilled and chlorinated, we are not satisfied with the water quality.

Accordingly the pool will remain closed until we have been able to bring the water quality to normal levels. It is anticipated that the water quality should most likely be satisfactory by tomorrow.

Your understanding and cooperation is much appreciated.

Thank you.
