SECURITY ALERT!

Forwarded Whatsapp message received from Mont' Kiara Resident Mr. Danieal C, on 16 Feb 2019

Location: Level B2 (Carpark), Kiara 163 Retail Mall (9:50pm)

On date and time above, my wife was waiting alone for me with groceries at B2 of the Kiara 163 Retail Mall, slowly walking to our car. I was delayed with my son while paying for parking on Level 31.

While she was alone at B2, she noticed a Chinese male, age of approximately 40 y/o wearing black t-shirt and in long pants who seemed to be following her from a distance and was getting closer. My wife then noticed that he seemed to be observing her from a nearby pillar while she was stationary and waiting for me.

As the wait was long, she tried calling me on my phone, but there was no cell reception at the carpark. She then felt something was amiss when there was an instance when the man was looking directly at her but not moving. At that moment he was approximately 10-15 metres away.

By that time I had just arrived at B2 and when she called out my name, the man walked away hurriedly and disappeared from sight. It was only then did we suspect that the man was up to something suspicious.

I then alerted the security by the info counter.

We would like to caution any female to exercise vigilance and wisdom when at the carpark alone. Be aware of your surroundings and take note if anyone might be following you.

We thank God that my wife did not proceed to put the groceries in the car alone as she would normally do, and the fact that I had just arrived at B2 before anything could have taken place. We shudder to think what would have happened differently.

Sincerely,
Daniel C. (Mont' Kiara resident)

Thank you.
