FACE MASKS FROM MKReA

As an extension to our previous notice dated 13 April 2020, the Management Office is pleased to inform that we have received the face masks from the Government through MKReA for distribution.

We request that you could kindly collect the face masks at the Management Office during office hours. The allocation is four (4) face masks per household. For those who does not need it, we appreciate if you could inform the Management Office so that those face masks can be issued to our Condo Frontliners.

Stay safe, stay healthy and stay at home.

Thank You.
