

Notice

TO ALL OWNERS & RESIDENTS:

Ref No. 20-51

PART-TIME MAIDS

Further to our Notice 20-45 dated 19 May 2020 and with the recent increase in positive cases among foreign workers, the Management Corporation once again strongly advise owners to send their foreign part-time maids for Covid-19 screening test as requested by the Ministry of Health.

The Management Office has also made arrangements with one of the KKM (Kementerian Kesihatan Malaysia) approved lab to do the covid-19 screening PCR test (polymerize chain reaction). Residents with live-in maids are also encouraged to send their maids for the covid-19 screening test. The screening test will be done at our premises (minimum 20 pax) for a fee of RM 240 per pax. The fee will be borne by the owners/maids. The date for the covid-19 screening will be announced soon.

Kindly register your maid details along with the payment at the Management office latest by the 15th of June 2020. Maids who have not registered or who do not produce the covid-19 test reports will not be allowed into the condo after 15th of June 2020. The Management Corporation will not be held responsible if the maids are tested positive at some time or the other.
