COVID-19 PRECAUTIONS

With the recent drastic increase of cases in the Klang Valley and Mont' Kiara neighbourhood, we would like to strongly remind everyone to adhere to the following Preventive Measures Recommendations:

1. Please stay at home should you have no urgent business to be out and about.
2. Please wear face masks whenever you are at the common areas especially in the lifts.
3. Kindly remind your maids/helpers not to mingle with others at the playground or common areas.
4. Visitors are not encouraged at this time, kindly do not invite anyone unless really needed.
5. Always maintain good personal hygiene
6. Maintain a physical distance of one (1) meter apart.
7. Frequently wash your hands with soap and water or a hand sanitizer.
8. Practice respiratory etiquette; cover your mouth and nose with tissue or a flexed elbow while coughing or sneezing.

The Management will continue sanitizing all frequently touched surfaces ie. Door handles, lifts buttons and fogging of the lifts.

All owners and residents are strongly encouraged to submit your enquiries/complaints via email and/or online application (if any) during this critical period in order to minimize contact.

Hence, we appreciate your kind understanding and cooperation on this matter. Please rest assured that we will keep you updated accordingly.

Thank you

The Management
